

**GIGI:** Ignore him, Myro; he's just a big show-off. I've told him before, if he keeps flying low like that there's going to be a big...

**SOUND: JIMO crashing**  
**[Optional download 'sndFX7']**

Oh NO! Jimo must have crashed.

**MYRO:** Quick, let's go and help.

**MUSIC: 'Reprise – Supersonic' [CD track 40]**

*(As the music plays, MYRO and GIGI fly off in the same direction that JIMO exited.)*

*(Once the stage is clear, all JETFIGHTERS march on in time to the music. They stand 'at ease' in a straight line before the COMMANDER marches in. He starts to speak whilst the music fades out at the end.)*

**WHEN MUSIC STOPS [STOP/PAUSE CD]**

**COMMANDER:** Jetfighters... ATTEN...TION!

*(JETFIGHTERS all stand to attention.)*

**COMMANDER:** Now, you've all heard that Jimo has crashed.

**JETFIGHTERS:** Yes sir!

**COMMANDER:** You!

*(Pointing at JETFIGHTER 1.)*

What's 'JIMO' in the pilot's phonetic alphabet?

**JETFIGHTER 1:** Err... Juliet, India, Mike, Oscar?

**COMMANDER:** Well done Jetfighter! Now, Jimo is being rescued Chili the Chinook.

**JETFIGHTERS:** Yes sir!

**COMMANDER:** You!

*(Pointing at JETFIGHTER 2.)*

What's 'CHILI' in the pilot's phonetic alphabet?

**JETFIGHTER 2:** Err... Charlie, Hotel, India, Lima, India?

**COMMANDER:** Very good Jetfighter! Now, Jimo crashed because he was being a showing-off.

**JETFIGHTERS:** Yes sir!

**COMMANDER:** You!

*(Pointing at JETFIGHTER 3.)*

What's 'SHOWOFF' in the phonetic alphabet?

**JETFIGHTER 3:** Err... SIERRA.. HOTEL... OSCAR... WHISKY, OSCAR...

*(As he says the next words, he demonstrates the 'moves' in a made up dance style – he obviously likes to showoff too!)*

FOXTROT – FOXTROT, TANGO!!!

**COMMANDER:** No, no, no! This is the Royal Australian Air Force - not "Strictly Come Dancing"!

**COMMANDER:** *(Quieter.)*

Now, what you won't know, is that his location was radioed in by a Microlight aeroplane.

**JETFIGHTERS:** No sir!

**COMMANDER:** *(Shaking his head in disbelief.)*

Anyway, this means that...

*(Stifles a snigger.)*

the fastest plane in the world...

*(Stifles another snigger.)*

has been rescued by...

*(Stifles yet another snigger.)*

the smallest plane in the world!

*(COMMANDER and JETFIGHTERS fall about laughing.)*

**COMMANDER:** *(Becoming serious again.)*

**Cont'd**

QUIET!

*(The JETFIGHTERS stop laughing.)*

Jetfighters... EYES LEFT!
